Counsel has been retained by Bederra, Corp. (Issuer) in this matter for purposes of rendering this Opinion and related matters.

Additionally, this letter includes all the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 and complies as to form with the Pink Sheets Guidelines for Providing Adequate Current Information.

The opinion and conclusions herein are based upon documentation and facts made available to me by the company and are based on the accuracy of those documents and facts. The documentation that was provided to counsel was believed to be true and reliable in its contents. Additionally counsel has reviewed all prior disclosures posted by the Issuer with Pink Sheets News Service as amended. All such information is believed to be true. In issuing this letter, I represent the following:

The information referred to herein (i) constitutes "adequate current public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144 (c) (2) under the securities act; (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the securities under Rule 15c2-11 under the Securities Exchange Act of 1934; (iii) complies as to form with the Pink Sheets Guidelines for Providing Adequate Current Information, which are located on the internet at [www.PinkSheets.com](http://www.PinkSheets.com) and, (iv) will be posted in the Pink Sheets News Service.

In the event that the facts and information in all such documents are determined not to be true, this opinion shall be null and void.

Counsel has personally met with and discussed the above documentation with management of the Issuer and with a majority of the Board of Directors.

Bederra, Corp. is a State of Texas company incorporated on August 29, 1979. The authorized capital of the corporation is 200,000,000 at \$0.001 par value. As of the date of this opinion, 136,114,666 shares are issued and outstanding.
